

# FOUNDATION FOR HOPE OUTDOOR ADVENTURES

## OUR MISSION

Our Mission is to facilitate inspiring, meaningful outdoor experiences for youth who suffer life-threatening medical conditions. We value, promote and preserve the heritage of the "Outdoor Sportsman."

Many wish-granting foundations are unable to include certain outdoor activities in their offerings. Foundation For Hope Outdoor Adventures seeks to fulfill these outdoor dreams for children.

## GIVING HOPE

"When I grow up, I can be whatever I want." I recently heard a young girl say this. I was so impressed by her hope and freedom to grab hold of every great opportunity in life.

However, this hope is not a reality for many children. There are thousands of children whose lives have been turned upside-down by life-threatening illnesses and accidents. These children have lost the freedom to follow their dreams.

We believe that every child deserves to have their dreams come true. Foundation for Hope Outdoor Adventures was created to take kids living with life-altering conditions into a great outdoors for an experience of a lifetime.

We love and nurture these children during the hunting, fishing, or camping trip of their dreams. Strong, personal relationships are built around the campfire, on the river or in the lodge. These children receive an escape from the rigors of their daily lives and are transformed for a moment with complete peace, without a care or worry of the future, just contentment for the present. This is our goal and our passion.

These adventures are provided at no cost to the family. All expenses are covered by the foundation, including necessary medical staff during an outing, transportation, lodging, etc.

## STORIES OF HOPE

"I truly believe the hunting adventure granted by Hope Outdoor Adventures saved my son's life by beating his cancer into remission." - Father

"If it wasn't for Hope Outdoor Adventures, then my son would have never realized his dreams before he left us." - Mother

## ABOUT TONY

Foundation for Hope Outdoor Adventures was established by former Detroit Lions player, Tony Semple. The mission is carried out with the same life-blood intensity, heart and compassion that Tony played with for nine years in the NFL.

During college, Tony worked with St. Jude foundation of Memphis, Tennessee. While playing professional football, he was one of the lions' most active community relations spokesmen in the Detroit-area, frequently speaking at D. A. R. E. events. For seven years, he teamed up with officers from the Fraternal Order of Police Lodge 112 to put on "Shop With a Cop", a program that helps children in need shop for the holidays.

Tony has grown to love the outdoors, hunting and fishing because of the sense of peace and rejuvenation they provide. This has led him to provide this experience to young people who may not otherwise have the chance to experience this peace and rejuvenation.

## ROMANS 15:13
