Morning Tony

Your more then welcome !!! Its the least we can do for you and the foundation. Hope the letters help keep the flood gates open to fund future hunts thru your generous foundation. Davey will be using the Bog Pod next month on a 19 , 000 acre military installation on a white tail hunt. They really work great. Thank you again and again!!! We too feel blessed to have met you and Mike. You two make a great team together. I in particular loved the way your face angelically glowed when Davey did something to make you smile. You exude love Tony and your child made a wise decesion in choosing to you as a parent.

your the best

Greg

ps

I am putting out the word to get additional children involved

Greg,

Thank you so much for taking the time to write the letters. It is greatly appreciated and will continue to keep our corporate sponsors involved. These are the real value that these corporations use when deciding what programs to continue to support. Thank you....I feel blessed to have had the opportunity to get to know you and your son. Please feel free to stay in touch as I would love to hear from Davey in the office as I know he would make me smile!

Thanks again.

Sincerely,

Tony Semple
