> alot of people up there in Michigan proud of me as well, I got my deer

> mount back yesterday, and it is a beautiful mount, i wasnt really

> expecting it to be done this quick but it looks very good. That

> taxidermist did a fantastic job. My dad absolutely loves the mount. We

> have one big room in our new house and its our Game Room, we have deer,

> turkeys, hogs. antelope, and 1 rattsnake in the room. My dad said that my

> deer wont have no shame on the wall, he says it fits right in with the

> rest. haha. If you and Craig like to hog hunt, there is a ranch about 30

> miles from here called the Texas S Bowhunting, it is located in

> Clarksville, Texas. If you and him wanted to hunt on that exotic ranch,

> that would give you and Craig both the opportunity to meet both of my

> parents and Jessica. Write me back whenever you get the chance, tell your

> wife, that she married a man who has a BIG BIG heart, and that it was also

> a pleasure to meet her too.
