Dear TONY SEMPLE FOUNDATION FOR HOPE

Attn: TONY AND TEAM,

My name is Scott Rafter and I was recently a participant in the Tony Semple Foundation for Hope Hunting Adventure on October 5th to October 9th, 2011.

I was diagnosed with Leukemia when I was 19 and have had a hard battle. I was too old for Make a Wish Foundation at Childrens Hospital of Philadelphia. The Tony Semple Foundation was a dream come true and sent me on an awesome hunting adventure. I had a great time meeting Tony and the wonderful people at the Vahalla ranch, who I will never forget. I am now free of all cancer and am feeling great. I had the time of my life on the hunt in Michigan that you sponsored for me. This hunt provided me and many other kids with disabilities with many great experiences and I want to thank you for your sponsorship to the Tony Semple Foundation. Tony's team of people are the best.

Thank You for your generosity,

Scott Rafter
