

hey Tony-hope this message finds you doing well.

We wanted to write and let you know how much we appreciate what you and your organization did for us this weekend, This hunting experience was amazing! This trip will forever be remembered! this is nothing like we would have ever experienced without your help. The boys are continuing to talk about all the exciting events that took place!

Thank you so much for supporting special families with this type of assistance. It was great to link with other families and make new friends.
So often in our world others do not understand or do not try to understand.

We also really appreciate you taking the time to influence Austin in a positive way. This means a lot to us.

If there is ever anything we can do for you or the organization, please let us know. If you ever head to NC look us up.

thanks again,

Mark, Sonya, Austin and Dustin Sholar
